Library Council, 2015-2016

Library Council is a standing committee of the Faculty Senate. The purpose and goals for Library Council are defined in University Regulation 6-702. The rationale for the committee is to facilitate communication between members of the university community about issues arising with regard to the Libraries. The Council will bring needs to the Dean of Libraries and the Vice President for Academic Affairs. Read the full description here: http://www.uwyo.edu/generalcounsel/_files/docs/uw-reg-6-702.pdf.
